

## 2020 3<sup>rd</sup> Round Norman Crooks Club Championship

### Safety Procedure

#### Wetherby & DMC Ltd Procedure at Trials events during the Covid-19 crisis

##### SAFETY PROCEDURES

**Travel to/from the Venue.** Only one person should travel in the vehicle, unless individuals are from the same household, then these persons may travel together.

**Signage** at event. Riders must adhere to all safety signs at the venue.

**Entry to the Event.** Entry fees to be paid online prior to the event. No cash should be taken/accepted on the day of the event. Payment to be made via **BACS to HSBC Acc No 81201395 Sort Code 40-23-12**, if this is not possible please bring a cheque or the correct cash in an envelope and drop into a box, these will then be opened by the secretary in 4 days.

**Spectators.** Once Government advice / guidance allows, the Organising Club should make provision for responsible spectator car parking. Vehicles should be parked to ensure a suitable distance between each vehicle to allow for current UK Government protocol on social distancing. Dependent on UK Government advice / guidance, spectator movement should be kept to the minimum.

**Food Outlets.** In accordance with UK Government Advice/Guidance, Event Organisers may wish to make the necessary arrangements to safely operate on-site catering facilities / external food outlets (burger vans etc). It is recommended that an external Vendor provides a risk assessment to demonstrate he is operating in accordance with up to date government regulations.

**Restriction on the number of Competitors.** Restricted to 60 competitors. Entry to an event is restricted to competitors who live within 40 miles of the club headquarters.

**Youth participation at a Trials event.** In accordance with current UK Government advice, it is important children have as many chances to be as active as possible, so youth participation can now be included in ACU Competitive and Practice events. Existing youth guidelines apply for youth participation and accompanying parents/legal guardians should always consider any Social Distancing measures in place at the time of the event. To minimise the number of people at an event, ideally youths should be accompanied by one parent / legal guardian which will help with overall Social Distancing. Should a rider fall, then the parent / legal guardian only should assist the rider.

**Section Observers. 1 per section. Suitable PPE used.**

**Inspecting Sections.** Only 3 riders allowed into a section to inspect it at any one time. It must be walked in the direction it is to be ridden, leaving the section through the end gate –one way traffic only.

**Waiting at Sections.** Whilst waiting to negotiate a Section, all Riders are to be socially distanced at all times.

**Section Markers and score cards.** Appropriate PPE (ie. gloves) must be worn when handling markers. At the end of the event Section Markers will be disinfected.

**Travelling Marshals.** Travelling marshals will move around the Sections to ensure Social Distancing measures are being adhered to. For everyone's safety, they are to report any rider that is not following the virus safety measures to the Clerk of the course for action to be taken, i.e. instructed to leave the venue.

**Signing On.** The competitor enters the event via emailing their Entry Form to the secretary and in doing so receives a riding number for the event. At signing on, the riders number card will be individually hung on a board at the control desk ready for collection. No One Day Licences to be issued.

**Litter and Waste.** It is the responsibility of each rider / Official / member of the public to take their own litter / waste away with them. This should happen as a matter of course, but given the circumstances surrounding Covid-19 this is now much more relevant.
